BLUNT ON TV DECENCY

WASHINGTON---House Majority Whip Roy Blunt (Mo.) today issued the following statement regarding "TV Watch":

"I applaud today's announcement by "TV Watch" to help parents control what their families watch on television. This plan is a substantial step forward in the broadcast decency debate.

"As Congress continues to debate decency on the airwaves, I know we'll be focused on helping educate parents about what they can do to monitor what their children see and hear on TV. Parental involvement is critical to this debate."
