

HELP SUPPORT THE SCOOPER SCHOOLS PROGRAM!

What is the Jimmy Fund Scooper Schools Program?

The Jimmy Fund Scooper Schools Program provides individuals the opportunity to earn free admission to the Jimmy Fund Scooper Bowl® by planning and participating in fundraising projects for the Jimmy Fund throughout the year. By doing so, individuals are able to tap into their creativity, build self-confidence, and most importantly, learn the importance of philanthropy by fundraising.

How can my school or organization become a Scooper School?

It's easy to get involved! The Jimmy Fund will provide you with a Scooper Schools Supply Kit that contains everything you'll need for a scooper successful fundraiser! The higher your fundraising total, the more tickets you'll receive.

What will Scooper School participants receive?

- Creative fundraising ideas, tips and templates
- Jimmy Fund banners, and ice cream cups for your fundraiser
- Special thank you mention at the annual Jimmy Fund Scooper Bowl®
- School name listed on the Scooper Schools signage

Qualifying Scooper Schools will receive **FREE ADMISSION*** to the Jimmy Fund Scooper Bowl® in June based on fundraising totals!

Classrooms can use these tickets as a great 'end of the school year' field trip, teachers can give out tickets to students to take home or groups can give their tickets to Dana-Farber patients and families!
