

## **Resolution on Constitutional Amendment Regarding Marriage**

*Adopted by AJC Board of Governors, May 5, 2004*

"AJC opposes the recently proposed amendment to the U.S. Constitution that would (1) restrict marriage to the union of a man and a woman, and (2) preclude the construction of the federal or any state constitution as requiring that marriage or the legal incidents thereof be conferred upon any union other than a union of a man and a woman. Such an amendment would enshrine discrimination into our social fabric."
