What is **Walk for Babies**?

Walk for Babies was created by an extremely thankful family whose baby's life was saved thanks to a one month stay in the Akron Children's Hospital Neonatal Intensive Care Unit (NICU).

Because Walk for Babies is a local organization, with no paid employees, 100% of your contribution will benefit the NICU at Akron Children's Hospital. Any contribution will help, and all donations are tax deductible.

The walk will be held on Sunday September 18th, 2011 at the Akron Zoo. This 1 mile, non-competitive walk will start at 9:00 am with registration starting at 8:00 am. If you would like to support the walk or volunteer please visit us online at www.walk4babies.com, or contact:

Did you know?

Akron Children's Hospital is the largest pediatric care provider in Northeast Ohio.

Last year Akron Children's Hospital cared for over 550,000 patients and performed more pediatric surgeries than any other hospital in Northeast Ohio.

Our NICU was chosen as one of twelve in the world to participate in the "Ideal Nicu" project by the Vermont Oxford Network.

Akron Children's Hospital achieved Magnet® status recognizing excellence in nursing. Currently, only about 4% of all healthcare organizations in the United States hold Magnet recognition status.

Helpful fundraising tips!

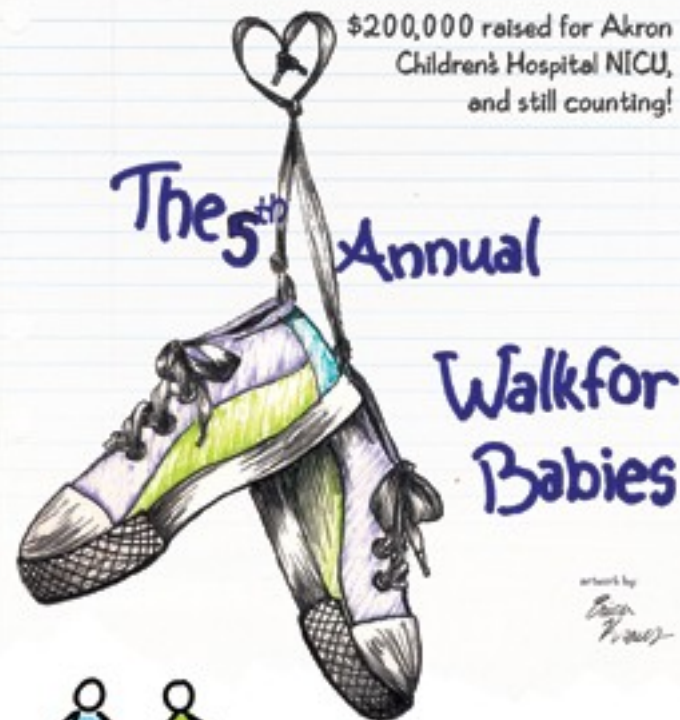

Tell others about Walk for Babies, and ask them to join you. Email and Facebook work very well to spread the word. You can even link to your team page at www.walk4babies.com or on Facebook (www.causes.com/walk4babies). If they can not, they might sponsor you.

Form a team, with any number of people. Prizes will be awarded to teams for different reasons. This makes the event more fun.

Collect pledges as soon as possible. Direct sponsors to the website. The site will let you know when someone donates, and gives you the option of sending a thank you email. It also tracks the total amount you have raised. See if your employer will match your funds raised. Many do.

Write a letter, or email to family, friends, and co-workers. Use your team page at www.walk4babies.com to tell the story of why you are involved, and to add pictures. You could then email this to people, or even print it and put it in the mail. Ask them to sponsor you, and include personal information about why you are involved.

Sunday - 9:00am
 September 18th, 2011
 8:00-8:50am - Registration
 Gather in the zoo parking lot.

3 Steps

to make the most of the event:

Step 1: Register

Choose a captain, form your team, and then every person under the age of 2 will need to register separately, and can join your team. Use this form, or visit us at www.walk4babies.com

Step 2: Spread the word

Recruit others to be on your team, and to help raise funds for the NICU. Email is a very easy, effective way to spread the word. Facebook also works well, and of course word of mouth works great. Contact your friends, family, co-workers, social, and church groups.

Step 3: Get Donations

Have people donate online at www.walk4babies.com or www.causes.com/walk4babies, this makes it very easy to track how much you have raised, and the money goes straight to the hospital. If you would prefer, you can also use the attached pledge form to track what you have raised. See the fundraising tips on the other side of this form for more ideas.
