

## What is Walk for Babies?

Walk for Babies is an event that was started by an extremely thankful set of parents after their child received such great care in the NICU at Akron Children's Hospital. It didn't take long to find hundreds of other families that felt the same way. We all work together as a way to say thanks and to raise money for the NICU at Akron Children's Hospital. Because Walk for Babies is a local organization, with no paid employees, 100% of your contribution will benefit the NICU at Akron Children's Hospital.

## 2011 Honorary Chairperson Richard Grigg – retired COO of First Energy
