

CROPWALK

WE WALK

BECAUSE THEY WALK

CROPWALK

WE WALK

BECAUSE THEY WALK

We Walk Because They Walk

Millions of people around the world walk long distances every day...

- To get water for daily needs
- To bring home food for their families
- To find safe shelter in times of war or disaster
- To find wood for fuel and fodder for livestock
- To go to school
- To farm distant fields
- To take goods and produce to market
- To find medical care when illness strikes
