Join the Epilepsy Foundation of Greater Los Angeles in our fight for *freedom from seizures* and *freedom to succeed* for all people with epilepsy.

The EPILEPSY FREEDOM WALK of the Epilepsy Foundation of Greater Los Angeles is a fun family walk in the park, complete with food, games and prizes. While the event is fun, the purpose is serious – to increase awareness about epilepsy and to raise money to continue our fight for *freedom from seizures* and *freedom to succeed* for the more than 180,000 people living with epilepsy in our region.

THE NEED

Epilepsy is a neurological disorder that affects 3 million Americans. There are over 180,000 people living with epilepsy in the greater LA area, and every three minutes someone new is diagnosed with epilepsy. Seizures are unpredictable and can vary from a momentary disruption of the senses, to short periods of unconsciousness or staring spells, to convulsions. Epilepsy affects people of all ages and ethnic backgrounds, and can develop at any time of life.

THE EPILEPSY FOUNDATION

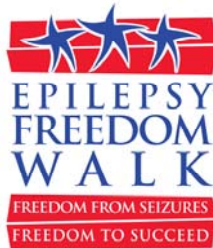

The Epilepsy Foundation of Greater Los Angeles works to improve the lives of people affected by epilepsy by promoting care, prevention and cure through education, support services, programs, advocacy and awareness. The Epilepsy Foundation dedicates its efforts to ensure ... *not another moment is lost to seizures*.

The Epilepsy Foundation of Greater Los Angeles is a registered 501(c)3 charity and the Tax ID is 95-2046033.
