TIMOTHY P. MURRAY
LIEUTENANT GOVERNOR

June 2008

Dear Friends:

On behalf of the Commonwealth of Massachusetts, I congratulate the Longwood Symphony Orchestra as you embark on your tour of London.

Since its establishment, the Longwood Symphony Orchestra has been a great source of entertainment and enjoyment to people in Greater Boston. For the first time in its twenty-five years, the LSO will bring their knowledge and musical grace to our friends in England. Joining together with their peers, this trip features important conversations on innovations in therapy, patient care and cancer research in hopes of fostering new ideas in medicine. Community service has been a steadfast tradition of the LSO and during this week, its members will share their musical talents by playing in support of local non-profit medical organizations.

We are proud of the role you play enhancing the quality of life in Boston and hope you have great success on your tour of London. Please accept my best wishes for a triumphant journey.

Best regards,
