Step 3: Click on the options offered to help spread the word and raise money for Autism Speaks.

You can also help spread the word by sharing your story with others participating in this event!

Step 4: Click Publish to allow post to be published.

The Benefits of Adding the Walk Now for Autism Speaks application to Facebook

Now that you've added our *Autism Speaks* application to your Facebook, your friends can click a link from your post to make a donation towards your participation in *Walk Now for Autism Speaks*. It's that easy!

You can update your status on your profile frequently to let your network of friends know about your participation and fundraising progress, including thank you notes to donors and invitations to join your team.

As your fundraising total increases, we'll send Newsfeeds to your Facebook page with updates on your fundraising progress. You will also receive Notifications via Facebook as the event gets closer, with tips on how to make the most out of your fundraising efforts as well as any last-minute details regarding the event.

Facebook FAQ's

Q: *The goal and/or amount raised on my Boundless Fundraising badge are not accurate. What can I do?*

A: Your badge will be updated periodically, usually once per day. You can press the "refresh" link on your badge to update it when you like. It takes a few moments to complete.

Q: *How do I add the Boundless Fundraising badge to the profile tab in Facebook?*

A: Facebook has removed the option to install new tabs for applications.

Q: How do I get to the Facebook fundraising page for my organization?

A: It may be that Facebook will display a bookmark on the left side of your home page. If not, you can get to the canvas page by performing the following steps:

1. Login to Facebook
2. In the left side of the home page, there is a list of your bookmarks
3. You may have to click "More" to make your bookmark appear
4. Click on the name of the organization that you are supporting

Q: A donation was made on my behalf, but I did not see a news feed. Why would this occur?

A: There are several ways news feeds are triggered. Automatic ones are limited to one per day, but you can create your own any time on the Facebook fundraising page. Another possibility is that your Facebook permissions maybe set incorrectly. Try reinstalling the application:

1. Log into Facebook
2. Click Account->Privacy Settings in the upper right
3. Click "Edit your settings" underneath "Applications and Websites"
4. Click "Remove" unwanted or spammy applications
5. On this page, you can click the X next to applications you want to remove
6. A confirmation popup will appear
7. Add the application again from your "HQ" for the event in which you are registered. If you share a computer with someone who also participating, be sure to log in to your accounts only

Q: How can I update my profile picture to be that of the event's logo?

A: Utilize the "Donate Your Profile Picture" feature. From the canvas page, click the event's logo located in the section titled "Donate Your Profile Picture".

1. Navigate to the Facebook fundraising page
2. Click the photo of the event's logo located under the title "Donate Your Profile Picture"
3. Once the logo is uploaded, click the "Go To Album" button on the Photo Upload dialog box
4. From your Facebook Photo Album page, Click the uploaded photo of your event logo
5. Click the uploaded photo of your event logo again
6. Click the "Make Profile Picture" link located to the lower right of the event logo

Q: How can I create a stream news feed?

A: There are four ways you can create a stream story. From the Facebook fundraising page, you can utilize the "Get the Word Out", "Share Your Badge", "Share Your Story" and "Donate Your Profile Picture" features.

Q: The event I participated in is over. How do I uninstall the Fundraising Facebook application?

A: Log into Facebook

1. Click Account->Privacy Settings in the upper right
2. Click "Edit your settings" underneath "Applications and Websites"
3. Click "Remove" unwanted or spammy applications.
4. On this page, you can click the X next to applications you want to remove
5. A confirmation popup will appear

Q: Does the Boundless Fundraising application support more than one event?

A: Yes. If you have more than one event for your application just keep using the "Fundraise with Facebook" links for each event. A dropdown will appear on the Facebook fundraising page to select your events.
