

Feral Cat Adoption Request

Feral cats rescued through Lollypop Farm's Feral Cat Program are available for adoption. Individuals interested in adopting a feral cat(s) should complete the questionnaire below and have plans to provide fresh food, water, appropriate shelter and ongoing medical care as needed by cats. All feral cats adopted from Lollypop Farm have been tested for Feline Leukemia, have been given a rabies vaccination, are spayed or neutered, and have had an ear tipped to indicate that they are already spayed or neutered. Information on providing for Feral Cats is available from Lollypop Farm.

Adopter's Name: _____
